CLIENT GUIDE

Director visa in Malaysia.

How to get an Employment Pass as the director of your Malaysian company: steps, timeline and costs.

1. Paid-up capital needed for a director visa

The company must hold this paid-up capital before the Employment Pass can be applied for. It stays in the company's bank account as the company's money.

100% foreign-owned company

RM 1,000,000

Paid-up capital

Company with majority Malaysian shareholding

RM 350,000

Paid-up capital

2. The process, step by step

	WHAT HAPPENS	OUR FEE	TIME
1	**Company registration (SSM)** We register your Sdn. Bhd. with SSM, with the company secretary and registered address.	**Our Malaysia package rate**	As per package
2	**Business premises** You rent a shop or office suitable for your business activity. We advise on what the licences need.	**Rent paid to the landlord**	Depends on you
3	**DBKL business licence + signboard licence** We apply to Kuala Lumpur City Hall (DBKL) for the premises licence and the signboard licence.	**RM 3,800, government fees included**	Depends on DBKL
4	**Corporate bank account + capital deposit** We support the company's bank account application. You then deposit the paid-up capital (RM 350,000 or RM 1,000,000) into the company account.	**Bank support as per package**	Depends on the bank
5	**WRT licence** We apply for the Wholesale, Retail and Trade (WRT) licence with the Ministry of Domestic Trade (KPDN).	**RM 4,000, government fees included**	About 2–3 months
6	**ESD registration** We register the company with the Immigration Department's Expatriate Services Division (ESD). This is done once per company.	**RM 3,500, government fees included**	About 1 month
7	**Employment Pass** We prepare and submit the director's Employment Pass application.	**RM 5,500 + government fees (usually under RM 1,000)**	Depends on Immigration

3. Cost summary

Company registration	**Our Malaysia package rate (from RM 4,099)**
DBKL business licence + signboard licence (government fees included)	**RM 3,800**
WRT licence (government fees included)	**RM 4,000**
ESD registration, one time (government fees included)	**RM 3,500**
Employment Pass application (government fees extra)	**RM 5,500**
Visa process service fees (excluding company registration)	**RM 16,800**

Not included, paid by the client

- ✓ Paid-up capital (RM 350,000 or RM 1,000,000), deposited in the company's own account
- ✓ Rent and deposit for the shop or office
- ✓ Government fees for the Employment Pass only (usually under RM 1,000). Government fees for DBKL, WRT and ESD are already included in our prices.

4. Documents we need

- ✓ Passport copy of each director and shareholder (valid at least 12 months)
- ✓ Full residential address and national ID number of each director and shareholder
- ✓ Recent passport-size photo of the director applying for the visa
- ✓ Director's CV and education certificates
- ✓ Tenancy agreement for the premises (after step 2)

5. Important

1. The Employment Pass is approved by the Immigration Department of Malaysia. We prepare complete applications, but approval is not guaranteed.
2. Registering a company does not give a visa by itself. The visa needs the licences, capital and registrations above.
3. Capital levels and requirements are set by the Malaysian authorities and can change. We confirm them for your case before you start.
4. Timelines are estimates and depend on government processing and public holidays.
